ABOUT B'MORE CLUBHOUSE

B'More Clubhouse empowers adults living with mental illness to lead meaningful and productive lives of their choice in the community.

We envision a world where people with mental illness have access to opportunity where self-actualization is supported and individuals are not defined by their illness.

As an opportunity and community center that enhances members' sense of purpose, self-worth, and confidence, your help will allow us to welcome more members back into the momentum of daily life.

For more information about our mission or to become a sponsor, please contact Jason Woody, Executive Director: jason.woody@bmoreclubhouse.org or call 410-727-2030.
